

January is historically THE coldest month of the year. That means you're driving more with your windows closed.

The inside of your car is **six times more polluted than the outside air**. Couple that with the fact that on average most spend **around 21 hours per week in their cars**, and a lot of pollution is being breathed in.

**THIS MONTH WE ARE PERFORMING FREE  
CABIN FILTER INSPECTIONS** (most vehicles).  
**You Change the Filter on Your Furnace &  
Air Conditioner in Your Home, but...**

*When is The Last Time You Replaced  
the "Cabin" Filter in Your Car?*

**If your car is more than a year old your cabin filter  
should be checked and replaced IF needed.**

*We'll inspect your **cabin filter at no charge** (on most models) and if  
your filter needs replaced, we'll give you a  
10% discount on the new filter.*

**OFFER EXPIRES 1-31-2020**

***Stop in or give us a call NOW!***
